

ON@CAMPUS

Online Study Program “Industrial Engineering” in BSVC

Industrial Engineering Professor Dr.-Ing. H. Janisch

Master of Science Industrial Engineering

❖ BSVC - Consortium

Master of Science Industrial Engineering

Master course developed by:

- Lund University
- Kristianstad University
- University of Vaasa
- UAS Kiel

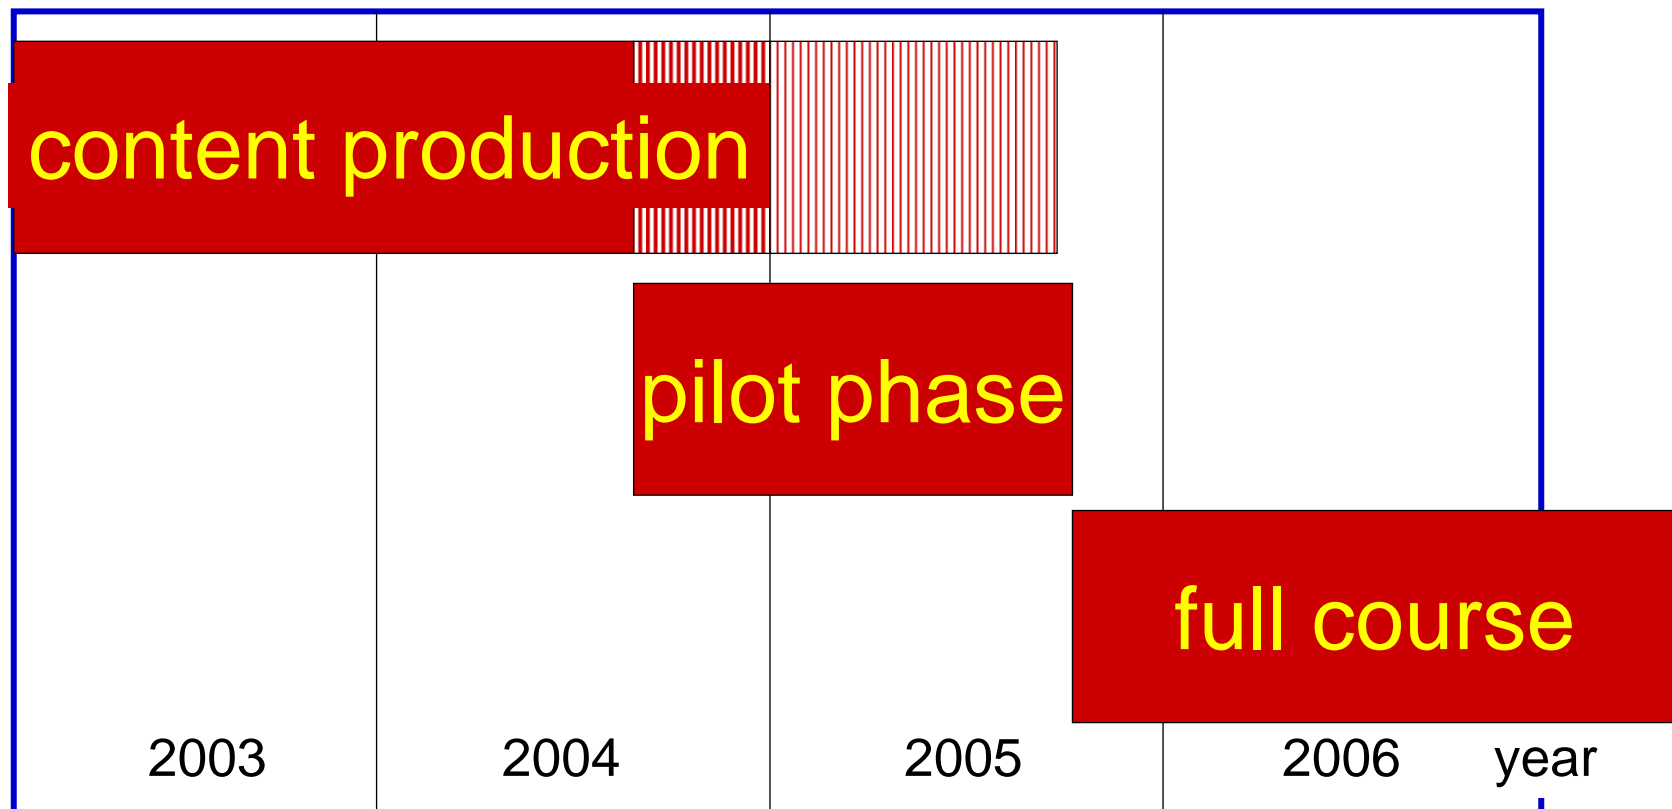

Organisation

- UAS Kiel
- UAS Luebeck
- Oncampus GmbH

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇒

Master of Science Industrial Engineering

History

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇒

Master of Science Industrial Engineering

Modules „General Management“

- Process Based Business Development
- Information Management
- Total Quality Management
- Controlling
- Management and Leadership
- Innovation and Entrepreneurship
- E-Business Management

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇨

Master of Science Industrial Engineering

Modules „Logistics“

- Logistical Performance and Planning
- Production Organization
- Material Flow Simulation
- International Distribution
- Materials Handling
- Seminar Factory Tour

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇒

Master of Science Industrial Engineering

Curriculum

Assignments	Credit points
modules	60
thesis	30
internship	30
total	120

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇒

Master of Science Industrial Engineering

Aims

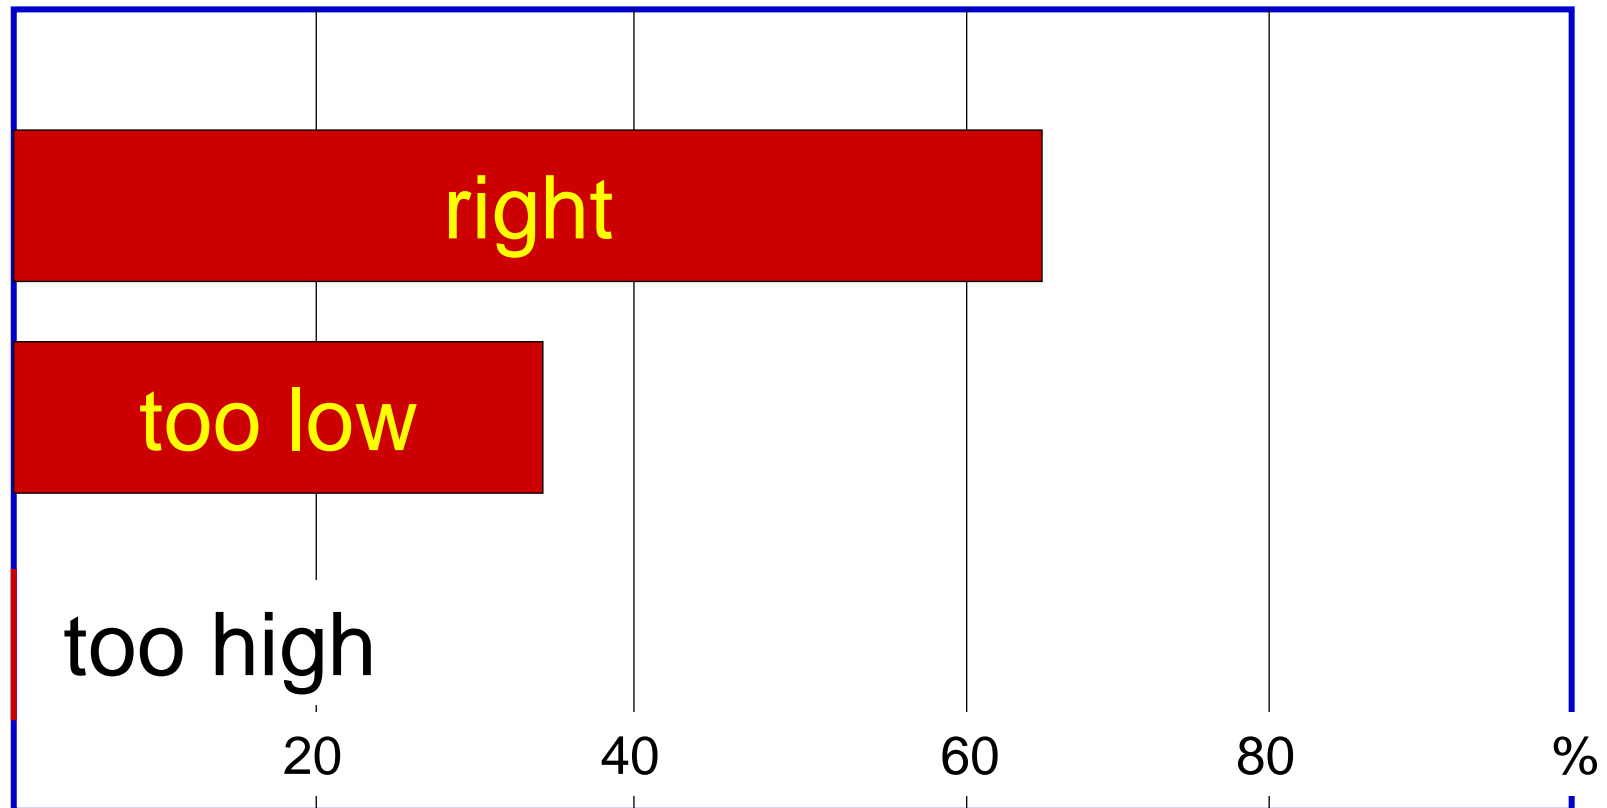

Training for

- General Manager
- Production Manager
- Logistics Manager
- Manager Production Engineering

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇒

Master of Science Industrial Engineering

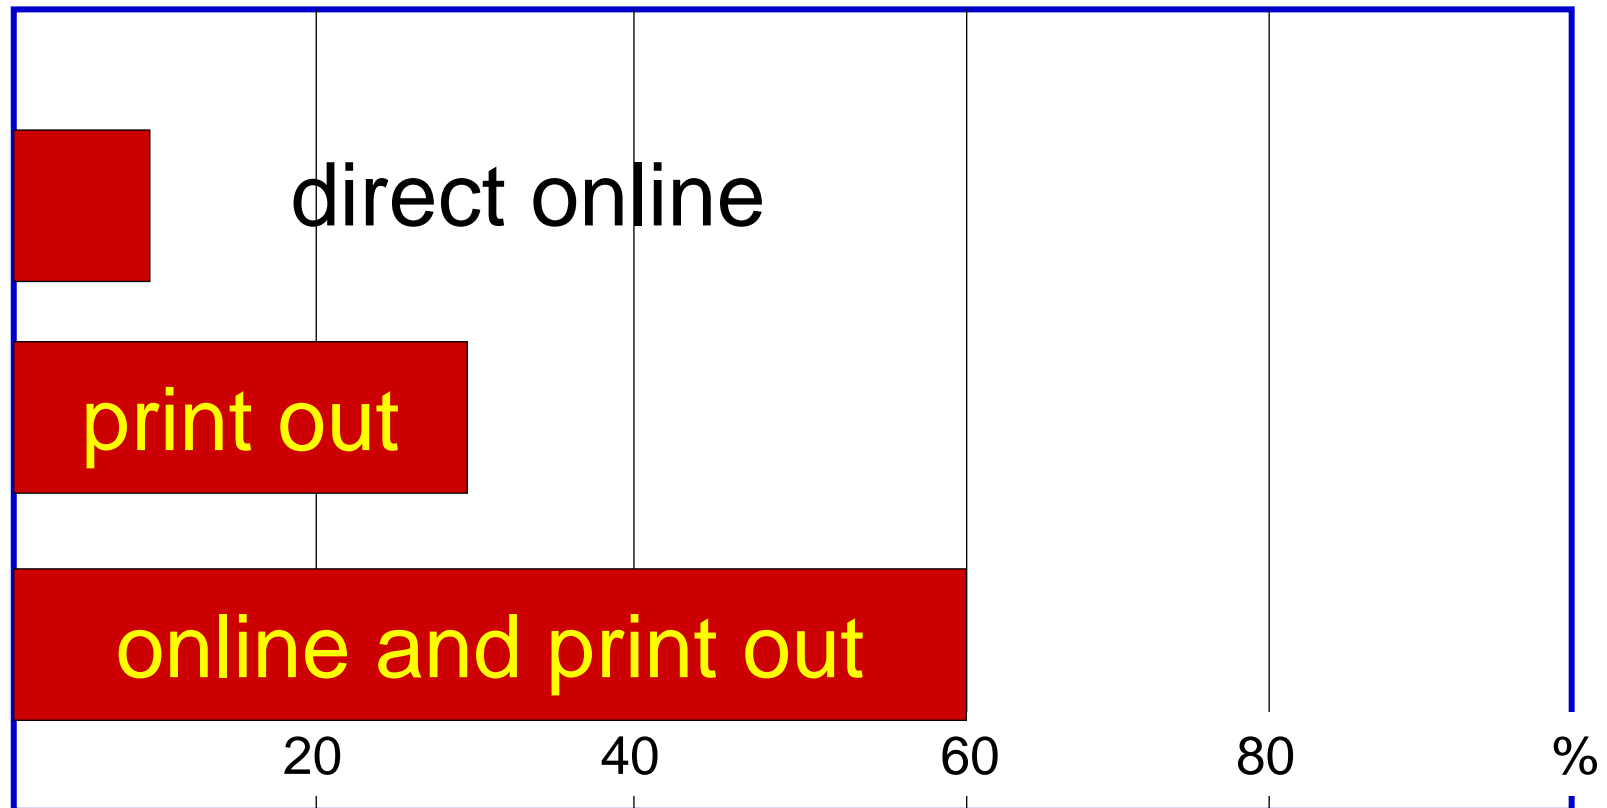

Feedback: Number of Presence Phases

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇨

Master of Science Industrial Engineering

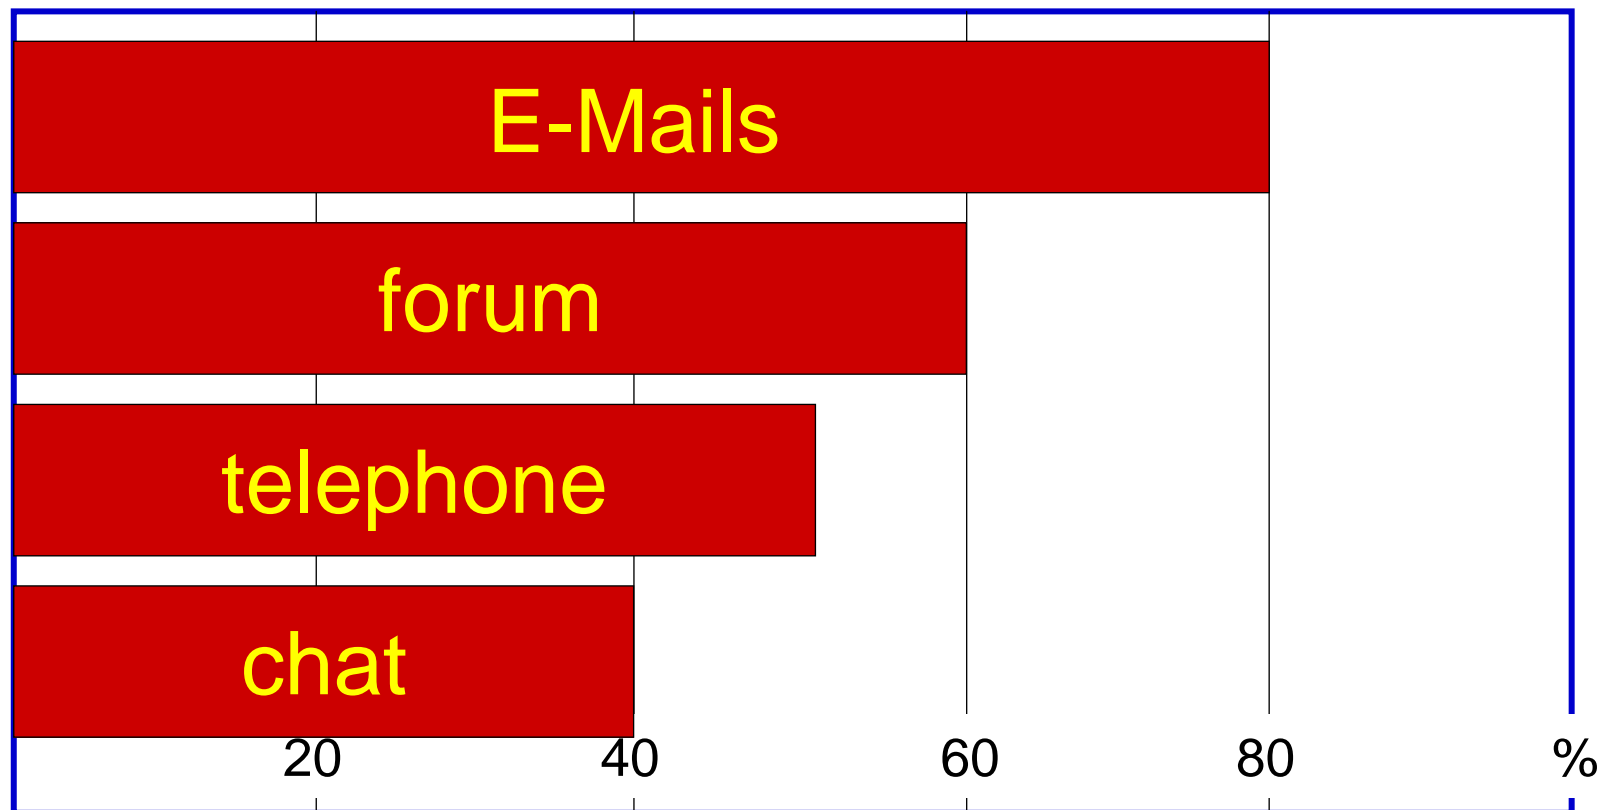

Feedback: How students learn

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇒

Master of Science Industrial Engineering

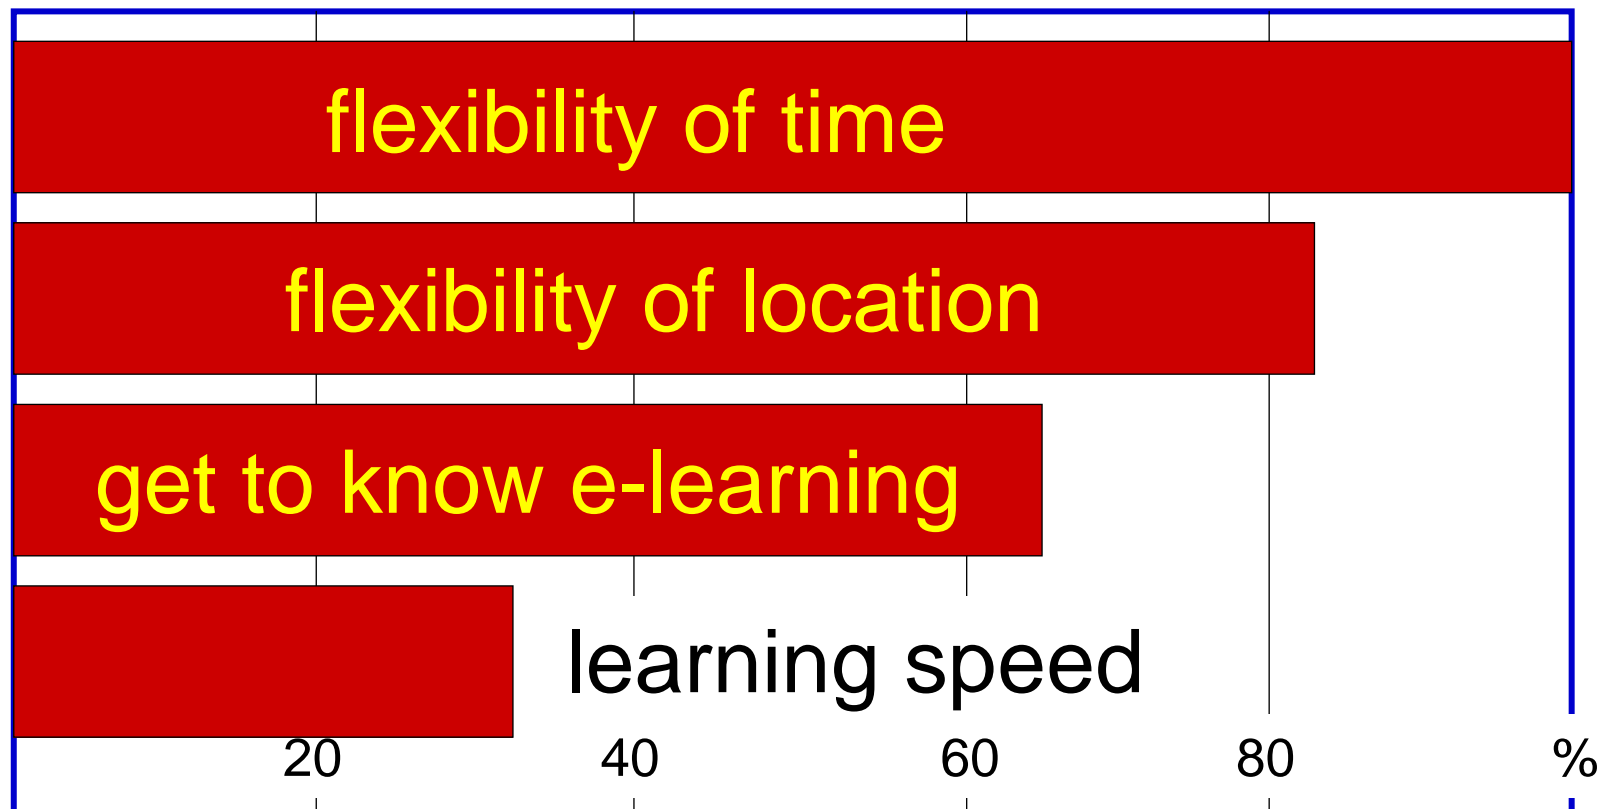

Feedback: Communication tools used

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇨

Master of Science Industrial Engineering

Feedback: Why e-learning (multiple naming)

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇒

Master of Science Industrial Engineering

Experience: What students request from tutors

- Fast response to E-Mails
- Synchronisation of the learning speed in the group
- Two presence phases per module
- Two module exams per year
- Precise instructions

Industrial Engineering Professor Dr.-Ing. H. Janisch ⇒ ⇒

Master of Science Industrial Engineering

Many thanks for listening

Industrial Engineering Professor Dr.-Ing. H. Janisch
